

THE SMART FUTURE

People, Technology
and Business

RAKHIL HIRDARAMANI
Director, Hirdaramani Group

TOPIC Enabling technology in
a growing legacy business.

INTERNATIONAL SPEAKER

Forget the media hype -
what is really happening
in advanced manufacturing
and services in Australia
and the world?

What are other advanced
lean businesses actually
doing to leverage new
technologies?

**BEST

NETWORK**

SHARE AND FIND BETTER WAYS

**NATIONAL
SUMMIT
2019**

THURSDAY
21ST FEB
WORKSHOPS

FRIDAY
22ND FEB
SUMMIT

In manufacturing, supply chains and services, new and existing smart technologies are both a threat and a strategic opportunity. This change is accelerating.

Join us in Melbourne for an exciting day of insights from leading Australian practitioners. Expert speakers from business and industry will share their practical experience and predictions.

Network with your peers from across Australia and New Zealand.

VENUE AND DISCOUNTED ACCOMMODATION

**Park Royal Hotel & Conference Centre
Melbourne Airport, Tullamarine.**

Contact the Park Royal and mention the
Best Practice Network Summit for your discount:
