SPECIAL SUMMIT PREVIEW FOR VICTORIAN BUSINESS LEADERS' 5 FEBRUARY 2019

Are you ready to leverage disruption?

**Network with your fellow
Senior Business Leaders'**

resilient futures

Join us over dinner for some great brainstorming, discussion and networking with Business Leaders' of Victorian Industry. We look forward to hearing your ideas and experiences.

There will be opportunities for open forum questions and discussions. Our Business Leaders' Dinners are your opportunity to learn new ideas, share your experiences and network with your peers.

SPEAKER OVERVIEW

David Platt is a strategist, author, researcher, speaker and facilitator with over 20 years experience in working with organisations and their leaders to reshape the mindset, skillset and strategic focus that is required to **pursue opportunity and manage risk in fast moving disruptive environments.**

David is the co-author of *"Disrupted: Strategy for Exponential Change and The Disruption Readiness Test."*

Together with David, we would like to explore your readiness to tackle disruption, and in what ways you and your organisation can **navigate and leverage disruption** in an **exponentially changing environment.**
