SHARE AND FIND BETTER WAYS

**NATIONAL
SUMMIT
2019**

THURSDAY
21ST FEB
WORKSHOPS

FRIDAY
22ND FEB
SUMMIT

In manufacturing, supply chains and services, new and existing smart technologies are both a threat and a strategic opportunity. This change is accelerating. Are you ready?

Join us in Melbourne for an informative day of insights from leading Australian practitioners. Expert speakers from business and industry will share the challenges and opportunities of their practical experiences.

Network with your industry peers from across Australia and New Zealand to take back practical learnings for your organisation.

VENUE AND DISCOUNTED ACCOMMODATION

**Park Royal Hotel & Conference Centre
Melbourne Airport, Tullamarine.**

Contact the Park Royal and mention the
Best Practice Network Summit for your
